Art Curation

Curation , Advisory , Gallery

EXCLUSIVELY ON : WWW.KALASTROT.COM

The exclusive go to source for Art in any form.

Kalastrot sources and curates' art from various artists across India. We source from legends in the making; artists who have created a unique language and style of their own and have already found an audience for themselves. Artists who already have their work displayed in galleries, corporate houses, and celebrity homes.

Kalastrot also passionately follows, promotes, and curates work from artists who are pursuing a dream, or a vision backed by undiluted passion.

We also spend extended time every year in the 'art-breeding' grounds for India's next best gems in various art schools of India like Shanti Niketan, Kolkata Art College, JJ School of Arts, Baroda Art College, and Banaras Hindu University. Where we build relationships, sharing our vision and onboarding them on our platform.

Once they share our vision and align with our mission, we welcome them into the Kalastrot family.

Curator's Note

I look for the outlier, the quiet fire that burns beneath retina edges. Artists can't be hunted, can't be invented. Much less curated. You start on a journey (no compass) you experience life through another pair of eyes and hands and sometimes you may feel the hair on your neck stand. Boom !!

You feel honoured and privileged to represent their DNA and vibrations on canvas.

My gallery survives on goose bumps. My peers call it curating
